## Chapter 1: "Story of the past"

SPIRIT FORCE

### Chapter 1

People believed that a world without power is like a world without the living. As far as people believed it to be, but this is soon about to be changed in to remorse,â

I am Nexus, some guy just living his early life in high school.

Gazing upon the blue sky above me I slowly closed my eyes to relax for a bit. The gentle breeze of the air hit my face like ice. I soon fell asleep on the shade of the tree. But I knew I wouldn't be able to relaxâ

'As they say some one decided to disturb me'

"Hay...Naxus!!"

'It was none other than my close friend Ren'â

"Hay Naxus!! Aren't you late for your gym class?"

I glanced at the watch on my wrist and went flying up the tree.

"My gym teachers going to kill me!!!"

running towards the gym with all my might. 'It took me about 5 minutes to get ready and reach hear.'

"i sure hope the coach is in a good mood today..

'I slowly peaked into the gym hall where everyone was busy doing there daily warm up routines.

"hhh.. the coachs busy ... this is high time i sneak into place..."with that i sneaked in from back into the crowd of students.

I walked slow and sneakily into the gym. But what i didnt notice is a dark figure emerging in my back...

"â !!!...! OH... coachâ !.."

I was suddenly stopped by our coach. 'He was a vicious man with a well-built body and a bulky face'.....

"Where do u think u are going"â !!

"gulp"...hhh

"Give me 50 rounds around the school premises for getting late"... It was the 3rd time I got late for gym class this week. So i guess I have no choice but to do as he say... 'Sigh'...

"That'll teach him for getting late this time "I could hear the coach hiss behind my back as I took off.

## SPIRIT FORCE

â lâ !.. 'run'â lâ lâ lâ !..  
'runnn'â lâ lâ lâ lâ lâ lâ lâ lâ lâ !

"panting!!!.Hhhâ lâ !".

As everyone say 'I was a well-qualified person'.

The school doctor's all said I had a unique physic and was an excellent sports star and a gymnastic. ..Everyone looked at with high hopes. But I myself feel the opposite way,

Sports were just a waste of timeâ lâ !..and I don't consider myself to be a sports model!!

â !.

But on the other hand you just can't get away with it when the coach was aroundâ lâ !

Hhaahhhâ !.hhh

By the time I had made 30 rounds I was already exhausted and breathing heavily.

I felt like... my tongue was getting caught up in my throat, as I felt thirsty.

I was almost at my limits as I completed the 50 rounds around the school premises. It felt as if my knees were about to pop!! Outâ !

hh..hahaa.hhh ..hh 'panting'.. I grasped to catch my breath

"Damn thatâ !hh coach..."â lâ !

I hardly noticed everyone was looking down on me from the benches placed in the school back yard, watching my 50 round runâ !

By the time I noticed every one, they looked at me with surprised facesâ !

"Hhaaaa â lâ lâ !."

"Oh â !man you are great"

"Coolâ !!!"

I hardly caught my breath when everyone started cheering for me... I gazed at astonishment as to why everyone was so excitedâ !???

The coach came up right next to me and patted my shouldersâ ! as he was congratulating Me.??

Ha..???Why does he look so happy...?

"Ahhmmm.. U are a star.. my boyâ ! No one was ever able to do 50 rounds around the gym in 30 minutes.. Actually doing 50 rounds was quite impossible as the whole school area was 215 meters long and 109 meters wide. I obviously thought u do get tired and quit â !.khh..!!"

## SPIRIT FORCE

To the events lead up to now from the time I was about 7 I believed my extra ordinary power was the reason behind my parent's demise !!

!

I passed through the main entrance of the school to the outside world where the sun shined brightly on to my eyes !

I gazed up on to the sky !. Everything was so nice..

"Mom... Dad I know you are alive"

.....haaa.... ????

## SPIRIT FORCE

Her hair swayed side to side as I saw her beautiful face for the first time in my life. Her sparkling eyes and that sweet voice sent me flying out of reality""""

At the moment Ren dragged me out of the way! By the time she left I was already lost in my own world

"Hay Nuxus â ! are you okayâ !.get a grip on yourself!"

"..aa..Ahh..h"

Ren took me in the shoulders and shook until I was back in my senses. I ve already forgot what heappend after I saw her face.

"What was that feeling'â !.. It was like nothing I ve ever felt.

I was already having fireworks in my head due to the sudden shock.

â !â !â !â !â !â !.!!.

"Ahâ !what happened?"

"Naxus... A girl was just in front of you and you lost your sensesâ !â !that's what happened"

I remember what happened!! But I couldn't stop remembering one thing though

"Her face"!!!!

"Who is she"â !. I tapped my head a couple of times to remember clearly.

"I knew you would ask so â !..!!!

She just moved from her town to Okinawa high.. She got here last weak"..

Ok I get all that. But you haven't told me her name"

Ren scratched his chin and said

"I don't know"

"You knew all that ... yet you don't know her nameâ !.!

Can't help it! I never heard anyone say her nameâ !.any way lets head home"

"Ahhh.. Alright"

â !â !â !.!

"â !â !â !â !.!"

As we went by I couldn't stop remembering her.

"Who is she? What's her name?"

## SPIRIT FORCE

These were the questions floating around my head,

To a point where I thought I would get sick if I thought any more of her, I decided to break the silence between me and Ren.

â!

On the way back I was too busy by my thoughts and we both didn't exchange a word up to now.

"Hay Renâ!â!!!! I've been thinking of something lately and I've wanted to discuss this with youâ!"

"Okâ!â!sure!! My house is just ahead, Why don't we talk there"â!â!â!!!!!

Me and Ren relaxed in his room with juice and some cookiesâ!

His home was nice and tidy. He lived in this traditional Japanese style house with sliding doors, which I don't see oftenâ!

â!â!!!!!

I drank a sip of juice and cleared my thoughtâ!

"Ren do you think I have any special powers are so!!! People are starting to believe I have special power after I completed the 50 round run around the school premises in 30 minutes."â!â!â!â!

"you see I don't think it's such a big deal- I am sure I could do 100 if I trained a little"

â!â!â!!!!!

By the time I've said this Ren's mouth was already openâ!. "50 rounds"

Ren shriekedâ!â!!!!!

He shouted in climax!!!

"That's over 30000 meters /30km and only within 30 minutesâ!..!!!!

I didn't know why but Ren was freaking out!!

"No one has ever done such a thing hereâ! that was impossible till now..."

Ren,s face became quite serious and stared at me in an ill manner..!!

"I've heard about special power but, I am not sure whether you have it or not. If so what kind of powers do you poses"

Ren said in a creaking voiceâ!â!â!â!

"These words brought me back to the past. My dark past!!! â! I've left my past aside and moved on with a new life..,!!!!

## SPIRIT FORCE

I didn't want to remember itâ lâ !!!!!

â lâ !!!!!

This is gods curse!!! He can burn in hell..

"It's all coming back to me!"

"It's all coming backâ lâ !.."

â lâ lâ !.Ahhhhâ !
