THE ALL-AMERICAN REJECTS

"Dirty Little Secret"

Let me know that I've done wrong
When I've known this all along
I go around a time or two
Just to waste my time with you

Tell me all that you've thrown away
Find out games you don't wanna play
You are the only one that needs to know

I'll keep you my dirty little secret
(Dirty little secret)
Don't tell anyone or you'll be just another regret
(Just another regret, hope that you can keep it)
My dirty little secret

Who has to know
When we live such fragile lives
It's the best way we survive
I go around a time or two
Just to waste my time with you

Tell me all that you've thrown away
Find out games you don't wanna play
You are the only one that needs to know

I'll keep you my dirty little secret
(Dirty little secret)
Don't tell anyone or you'll be just another regret
(Just another regret, hope that you can keep it)
My dirty little secret

Who has to know
The way she feels inside (inside)
Those thoughts I can't deny (deny)
These sleeping thoughts won't lie (won't lie)
And all I've tried to hide
It's eating me apart
Trace this life out

I'll keep you my dirty little secret

Super Duperest Challenge Ever !!!! Song Numbers

(Dirty little secret)
Don't tell anyone or you'll be just another regret
(Just another regret)

I'll keep you my dirty little secret

Billy Talent Surrender Lyrics

She reads a book from across the street
Waiting for someone that she'll never meet
Talk over coffee for an hour or two
She wonders why I'm always in a good mood

Killing time before she struts her stuff
She needs support and I've become the crutch
She'll never know how much she means to me
I'd play the game but I'm the referee

[CHORUS]

(Surrender)

Every word, every thought, every sound

(Surrender)

Every touch, every smile, every frown

(Surrender)

All the pain we've endured until now

(Surrender)

All the hope that I lost you have found

(Surrender) Yourself to me

Even though I know what I'm looking for
She's got a brick wall behind her door
I'd travel time and confess to her
But I'm afraid she'd shoot the messenger

[CHORUS]

I think I found a flower in a field of weeds

I think I found a flower in a field of weeds

Searching until my hands bleed

This flower don't belong to me

I think I found a flower in a field of weeds

I think I found a flower in a field of weeds

Searching until my hands bleed

This flower don't belong to me

This flower don't belong to me

Why can't she belong to me?

Every word, every thought, every sound
Every touch, every smile, every frown
All the pain we've endured until now
All the hope that I lost, you have found

Super Duperest Challenge Ever !!!! Song Numbers

[CHORUS]

(Surrender)

Every word, every thought, every sound

(Surrender)

Every touch, every smile, every frown

(Surrender)

All the pain we've endured until now

(Surrender)

All the hope that I lost you have found

(Surrender)

I never had the nerve to ask

(Surrender)

Has my moment come and passed?

(Surrender)

I never had the nerve to ask

(Surrender)

Has my moment come and passed?

(Surrender)

I never had the nerve to ask

(Surrender)

Has my moment come and passed?

(Surrender)

I never had the nerve to ask

What's My Age Again? Blink-182

I took her out it was a Friday night
I wore cologne to get the feeling right
We started making out and she took off my pants
But then I turned on the TV

And that's about the time that she walked away from me
Nobody likes you when you're 23
And are still more amused by TV shows
What the hell is ADD?
My friends say I should act my age
What's my age again?
What's my age again?

Then later on, on the drive home
I called her mom from a pay phone
I said I was the cops
And your husband's in jail
This state looks down on sodomy

And that's about the time that bitch hung up on me
Nobody likes you when your 23
And are still more amused by prank phone calls
What the hell is caller ID?
My friends say I should act my age
What's my age again?
What's my age again?

And that's about the time she walked away from me
Nobody likes you when your 23
And you still act like you're in Freshman year
What the hell is wrong with me?
My friends say I should act my age
What's my age again?
What's my age again?

That's about the time she broke up with me (Please stay)
No one should take themselves so seriously (with me, please stay)
With many years ahead to fall in line (with me, please stay)
Why would you wish that on me? (with me)
I never want to act my age (please stay)
What's my age again? (with)
What's my age again? (me)

What's my age agaaaaaaaain?

First Date Lyrics Blink-182

In the car I just can't wait
to pick you up on our very first date
Is it cool if I hold your hand?
Is it wrong if I think it's lame to dance?
Do you like my stupid hair?
Would you guess that I didn't know what to wear?
I'm too scared of what you think
You make me nervous so I really can't eat

Let's go, don't wait, this night's almost over
Honest, let's make this night last forever
Forever and ever, let's make this last forever
Forever and ever, let's make this last forever

When you smile, I melt inside
I'm not worthy for a minute of your time
I really wish it was only me and you
I'm jealous of everybody in the room
Please don't look at me with those eyes
Please don't hint that you're capable of lies
I dread the thought of our very first kiss
A target that i'm probably gonna miss

Let's go,don't wait, this night's almost over
Honest, let's make this night last forever
Forever and ever, let's make this last forever
Forever and ever, let's make this last forever

Let's go, don't wait, this night's almost over
Honest, let's make, this night last forever
Forever and ever, let's make this last forever
Forever and ever, let's make this last forever
Forever and ever, let's make this last forever

Paralyzer lyrics finger eleven

I hold on so nervously
To me and my drink
I wish it was cooling me
But so far, has not been good
It's been shitty
And I feel awkward, as I should
This club has got to be
The most pretentious thing
Since I thought you and me
Well I am imagining
A dark lit place
Or your place or my place

Well I'm not paralyzed
But, I seem to be struck by you
I want to make you move
Because you're standing still
If your body matches
What your eyes can do
You'll probably move right through
Me on my way to you

I hold out for one more drink
Before I think
I'm looking too desperately
But so far has not been fun
I should just stay home
If one thing really means one
This club will hopefully
Be closed in three weeks
That would be cool with me
Well I'm still imagining
A dark lit place
Or your place or my place

Well, I'm not paralyzed
But, I seem to be struck by you
I want to make you move
Because you're standing still
If your body matches
What your eyes can do
You'll probably move right through
Me on my way to you

Super Duperest Challenge Ever !!!! Song Numbers

We'll, I'm not paralyzed
But, I seem to be struck by you
I want to make you move
Because you're standing still

I'm not paralyzed
But, I seem to be struck by you

GREEN DAY LYRICS

"Boulevard Of Broken Dreams"

I walk a lonely road
The only one that I have ever known
Don't know where it goes
But it's home to me and I walk alone

I walk this empty street
On the Boulevard of Broken Dreams
Where the city sleeps
and I'm the only one and I walk alone

I walk alone
I walk alone

I walk alone
I walk a...

My shadow's the only one that walks beside me
My shallow heart's the only thing that's beating
Sometimes I wish someone out there will find me
'Til then I walk alone

Ah-ah, Ah-ah, Ah-ah, Aaah-ah,
Ah-ah, Ah-ah, Ah-ah

I'm walking down the line
That divides me somewhere in my mind
On the border line
Of the edge and where I walk alone

Read between the lines
What's fucked up and everything's alright
Check my vital signs
To know I'm still alive and I walk alone

I walk alone
I walk alone

I walk alone
I walk a...

My shadow's the only one that walks beside me
My shallow heart's the only thing that's beating

JIMMY EAT WORLD LYRICS

"Feeling Lucky"

There's a chance, one of us will give in soon
I could ask, but what's an answer gonna prove?
I try to get mad, but the fever drops
My heart can't break 'cause the beating stops
Yeah, suck that lucky feeling right outta me.

Wanna laugh? Take a look around the room
It's a dance, tired steps in brand new shoes
I can only take a guess what the morning brings
If it feels too good, then it probably is.
Yeah, suck that lucky feeling right outta me

I follow your sign, where it leads I go.
But you turned your back so easily,
It tells me everything I need, yeah.

Waiting for the line to move a foot, yeah
Wasting my life on nothing good
Suck that lucky feeling right outta me

I should act; tie it down or cut you loose
It's a trap, any direction I move.
When I try to sing along, the needle skips
I huff and then I puff but my house is bricks, yeah
Suck that lucky feeling right outta me
Yeah you sucked that lucky feeling right outta me.
Yeah you sucked that lucky feeling right outta me, yeah.

LINKIN PARK LYRICS

"What I've Done"

In this farewell
There's no blood
There's no alibi
'Cause I've drawn regret
From the truth
Of a thousand lies

[Pre-Chorus:]
So let mercy come
And wash away
What I've done

[Chorus:]
I'll face myself
To cross out what i've become
Erase myself
And let go of what i've done

Put to rest
What you thought of me
While I clean this slate
With the hands of uncertainty

[Pre-Chorus]

[Chorus]

For what I've done
I start again
And whatever pain may come
Today this ends
I'm forgiving what I've done!!!

[Chorus]

What I've done
Forgiving what I've done

Teenagers MY CHEMICAL ROMANCE

They're gonna clean up your looks
With all the lies in the books
To make a citizen out of you
Because they sleep with a gun
And keep an eye on you, son
So they can watch all the things you do

Because the drugs never work
They're gonna give you a smirk
'Cause they got methods of keeping you clean
They're gonna rip up your heads,
Your aspirations to shreds
Another cog in the murder machine

They said all teenagers scare the living shit out of me
They could care less as long as someone'll bleed
So darken your clothes or strike a violent pose
Maybe they'll leave you alone, but not me

The boys and girls in the clique
The awful names that they stick
You're never gonna fit in much, kid
But if you're troubled and hurt
What you got under your shirt
Will make them pay for the things that they did

They said all teenagers scare the living shit out of me
They could care less as long as someone'll bleed
So darken your clothes or strike a violent pose
Maybe they'll leave you alone, but not me

Ohhh yeah!

They said all teenagers scare the living shit out of me
They could care less as long as someone'll bleed
So darken your clothes or strike a violent pose
Maybe they'll leave you alone, but not me

All together now!

Teenagers scare the living shit out of me
They could care less as long as someone'll bleed
So darken your clothes or strike a violent pose
Maybe they'll leave you alone, but not me

REDWOLF

Vampires Will Never Hurt You MY CHEMICAL ROMANCE LYRICS

And if they get me and the sun goes down into the ground
And if they get me take this spike to my heart and
And if they get me and the sun goes down
And if they get me take this spike and
You put the spike in my heart

And if the sun comes up will it tear the skin right off our bones
And then as razor sharp white teeth rip out our necks I saw you there
Someone get me to the doctor, someone get me to a church
Where they can pump this venom gaping hole
And you must keep your soul like a secret in your throat
And if they come and get me
What if you put the spike in my heart

And if they get me and the sun goes down
And if they get me take this spike and

(Come on!)

[Chorus]

Can you take this spike?
Will it fill our hearts with thoughts of endless
Night time sky?
Can you take this spike?
Will it wash away this jet black feeling?

And now the nightclub sets the stage for this they come in pairs she said
We'll shoot back holy water like cheap whiskey they're always there
Someone get me to the doctor, and someone call the nurse
And someone buy me roses, and someone burned the church
We're hanging out with corpses, and driving in this hearse
And someone save my soul tonight, please save my soul

[Chorus]

Can you take this spike?
Will it fill our hearts with thoughts of endless
Night time sky?
Can you take this spike?
Will it wash away this jet black now?

(Let's go! Come on!)

And as these days watch over time, and as these days watch over time
And as these days watch over us tonight

Super Duperest Challenge Ever !!!! Song Numbers

[x2]

I'll never let them, I'll never let them
I'll never let them hurt you not tonight
I'll never let them, I can't forget them
I'll never let them hurt you, I promise

Struck down, before our prime
Before, you got off the floor
Can you stake my heart? Can you stake my heart?

Can you stake my heart? Can you stake my heart?
(And these thoughts of endless night
bring us back into the light
and this venom from my heart)

Can you stake my heart? Can you stake my heart?
(And these thoughts of endless night
bring us back into the light
kill this venom from my heart)

Can you stake me before the sun goes down?

(And as always, innocent like roller coasters.
Fatality is like ghosts in snow and you have no idea what you're up against
because I've seen what they look like.
Becoming perfect as if they were sterling silver chainsaws going cascading...)

want you bad the offspring

If you could only read my mind
You would know that things between us
Ain't right
I know your arms are open wide
But you're a little on the straight side
I can't lie

Your one vice
Is you're too nice
Come around now can't you see

I want you
All tattooed
I want you bad

Complete me
Mistreat me
Want you to be bad

If you could only read my mind
You would know that I've been waiting
So long
For someone almost like you
But with attitude, I'm waiting so come on

Get out of clothes time
Grow out those highlights
Come around now can't you see

I want you
In a vinyl suit
I want you bad

Complicated
X-rated
I want you bad

Don't get me wrong
I know you're only being good
But that's what's wrong
I guess I just misunderstood

I want you
All tattooed

Supermans's dead our lady peace

do you worry that you're not liked
how long till you break
you're happy cause you smile
but how much can you fake
an ordinary boy an ordinary name
but ordinary's just not good enough today

alone I'm thinking
why is superman dead
is it in my head
we'll just laugh instead
you worry about the weather and
whether or not you should hate

are you worried about your faith
kneel down and obey
you're happy you're in love
you need someone to hate
an ordinary girl an ordinary waist
but ordinary's just not good enough today

doesn't anybody ever know that the
world's a subway...

Hey There Delilah"PLAIN WHITE T'S LYRICS

Hey there Delilah
What's it like in New York City?
I'm a thousand miles away
But girl, tonight you look so pretty
Yes you do
Times Square can't shine as bright as you
I swear it's true

Hey there Delilah
Don't you worry about the distance
I'm right there if you get lonely
Give this song another listen
Close your eyes
Listen to my voice, it's my disguise
I'm by your side

Oh it's what you do to me
Oh it's what you do to me
Oh it's what you do to me
Oh it's what you do to me
What you do to me

Hey there Delilah
I know times are getting hard
But just believe me, girl
Someday I'll pay the bills with this guitar
We'll have it good
We'll have the life we knew we would
My word is good

Hey there Delilah
I've got so much left to say
If every simple song I wrote to you
Would take your breath away
I'd write it all
Even more in love with me you'd fall
We'd have it all

Oh it's what you do to me
Oh it's what you do to me
Oh it's what you do to me
Oh it's what you do to me

A thousand miles seems pretty far

Super Duperest Challenge Ever !!!! Song Numbers

But they've got planes and trains and cars
I'd walk to you if I had no other way
Our friends would all make fun of us
and we'll just laugh along because we know
That none of them have felt this way
Delilah I can promise you
That by the time we get through
The world will never ever be the same
And you're to blame

Hey there Delilah
You be good and don't you miss me
Two more years and you'll be done with school
And I'll be making history like I do
You'll know it's all because of you
We can do whatever we want to
Hey there Delilah here's to you
This one's for you

Oh it's what you do to me
Oh it's what you do to me
Oh it's what you do to me
Oh it's what you do to me
What you do to me.

(Ohh, ohh)
(Ohh, ohh)

I'm sick of all this waiting
And people telling me what I should be
What if I'm not so crazy
Maybe you're the one that's wrong, not me
So what you gonna do, what you gonna say
When we're standing on top and do it our way
You say we got no future
You're living in the past
So listen up, that's my generation

[CHORUS]
(hey ho, let's go!)
It's going down tonight
(hey ho, let's go!)
We're gonna do it til we die
(hey ho, let's go!)
'Cause I, I, I got no reason to apologize
That's my generation

(ohh, ohh)
(ohh, ohh)

I don't need to say I'm sorry
I do what everybody wants to do
It's not so complicated
'Cause I know you want the same thing, too
So what you gonna do, what you gonna say
When we're standing on top and do it our way

Fall Out Boy

Thanks For The Memories lyrics

rm_son`g`title = 'Thanks For The Memories'; rm_art`ist` = 'Fall Out Boy';

[Intro]

I'm gonna make it bend and break

(It sent you to me without wait)

Say a prayer but let the good times roll

In case God doesn't show...

(Let the good times roll)

(Let the good times roll)

[Verse 1]

And I want these words to make things right

But it's the wrongs that make the words come to life,

"Who does he think he is?"

If that's the worst you got

Better put your fingers back to the keys

[Chorus]

One night and one more time

Thanks for the memories

Even though they weren't so great;

"He tastes like you, only sweeter"!

One night, yeah, and one more time

Thanks for the memories, thanks for the memories;

"See, he tastes like you only sweeter"!

Oh Oh Oh Oh Oh

[Verse 2]

Been looking forward to the future

But my eyesight is going bad

And this crystal ball

Is always cloudy except for

(Except for)

When you look into the past

(Look into the past)

One night stand...

(One night stand off)

[Chorus]

One night and one more time

Thanks for the memories

Even though they weren't so great;

"He tastes like you only sweeter"!

One night, yeah, and one more time

I wish we were older(x3)

Keep your body moving, girl
The beat is thumpin'
Go ahead and let them talk
Their words mean nothing

I know you're scared
But don't leave this place
Just turn around
And let me see your face
And now you're crying
And you hold me
And you whisper in my ear

Whoa-e, oh-we, oh-oh
Whoa-e, oh-we ,oh-oh
Whoa-e, oh-we, oh-oh
I wish we were older
Whoa-e, oh-we, oh-oh

And they won't know
I know you're dying
To take off your clothes

Just trust in me
I'll never run away
You kiss my lips
And you taste my pain
And while I'm pushing it, I'm moving
Somehow you manage to say...

Metro Station - Seventeen Forever lyrics

You were young but so am I
And this is wrong but who am I to judge
You feel like heaven when we touch
I guess for me this is enough

Were one mistake from being together
But let's not ask why it's not right
You won't be seventeen forever
And we can get away with this tonight.

You are young and I am scared
You're wise beyond your years, but I don't care
And I can feel your heart beat
You know exactly where to take me

Were one mistake from being together
But let's not ask why it's not right
You won't be seventeen forever
And we can get away with this tonight.

Ooh ooh. ooh ooh.
Ooh ooh ooh ooh

You asked me as I leave, "Remember what I said?"
"Oh how could I, oh how could I forget?"

Were one mistake from being together
But let's not ask why it's not right
You won't be seventeen forever
And we can get away with this tonight.

Were one mistake from being together
But let's not ask why it's not right
You won't be seventeen forever
And we can get away with this tonight.

Were one mistake from being together
But let's not ask why it's not right
You won't be seventeen forever
And we can get away with this tonight.

Ooh ooh. Ooh ooh.
Ooh ooh. Ooh ooh.
Ooh ooh. Ooh ooh.

Ten Second Epic Boys Will be Boys

Tattooed are memories from home,
Goodbyes are the only thing I know.
(every time I leave it's not alright)
Deep down I hope you understand,
But this path is understood only by my own.

Don't you sleep cause I can't sleep tonight.
The time is obvious to me.
Don't you sleep cause I can't sleep tonight.
So stay up late, wait up for me.
Why can't you wait when every night is not the end?

[Chorus:]

The sun's been setting on the roadside,
It's not the same here when you go.
You're disappearing like the daylight,
It's not the same here when you go.

Twice told and I won't say again,
When it's done I'm coming back to you,
(cause you're the reason why I still come home).
We got less then what we need,
So lets make the best of every desperate dial tone.

Don't you sleep cause I can't sleep tonight.
The time is obvious to me.
Don't you sleep cause I can't sleep tonight.
So stay up late, wait up for me.
Why can't you wait when every night is not the end?

[Chorus]

And this asphalt wont solve enough,
Cause this road lacks human touch.
But I believe the source that push away...
It pulls me back to you.

[Chorus]

And my foot is gliding on the pedal all the way,
My foot is gliding all the way.

BIF NAKED LYRICS

"Only The Girl"

my love's an ice-cold latte
and it's running down yer shirt.
you took my little heart
and then ya threw it in the dirt!
i won't go near yer locker
and i cannot wash my hair.
i can't believe you betrayed me
and filled me with despair!!

i can't believe - horrible truth about you
because you lied to me.
i am only the girl who was in love with you
but, now you lied!

i have developed frog-eyes
from crying all the time.
i won't go out and skate with my friends,
i'll only stay inside.
you ran around, behind my back
with a pretty, blue-eyed girl.
i am so sick of missing you -
i think i'm gonna hurl!!

i can't believe - horrible truth about you
because you lied to me.
i am only the girl who was in love with you.
but, now you lied!

i can't believe you lied to me:
i can't believe you!

(i am only the girl who was in love with you)

i can't believe - horrible truth about you
because you lied to me
i am only the girl who was in love with you
but, now you lied to me...

[sportin' the "x"s on her hands] self-discipline requires doing
what is necessary, when it should be done,
whether it iz a pleasant task or not. a straight-edge lifestyle is personal choice.

if my coffee consumption ain't straight-edge enough for you:
then **** me with a double, skim cappuccino!

um: hellooooo!! get afucking hold of yourself!!
no complaining!! are you starving?
no? then let's have a little perspective, shall we. see a therapist.
switch to decaf. lay off the pills.
try some stretching.
take five.
have a time out.
write it down.
make a painting.
have a hot bath.
quit hanging onto past hurts.
forgive all to get over all and get on with it!
puh-leeze! develop some humor.
laugh it off.
yuk it up.
don't be mean.
karma is instant.
there is no coincidence.
live today. try - ok?

KILLERS

Somebody Told Me

Breaking my back just to know your name
Seventeen tracks and I've had it with this game
I'm breaking my back just to know your name
But heaven ain't close in a place like this
Anything goes but don't blink you might miss
Cause heaven ain't close in a place like this
I said heaven ain't close in a place like this
Bring it back down, bring it back down tonight
Never thought I'd let a rumor ruin my moonlight

Well somebody told me
You had a boyfriend
Who looked like a girlfriend
That I had in February of last year
It's not confidential
I've got potential

Ready? Let's roll onto something new
Taking its toll and I'm leaving without you

Cause heaven ain't close in a place like this
I said heaven ain't close in a place like this
Bring it back down, bring it back down tonight
Never thought I'd let a rumor ruin my moonlight

Well somebody told me
You had a boyfriend
Who looked like a girlfriend
That I had in February of last year
It's not confidential
I've got potential
A rushin', a rushin' around

Pace yourself from me
I said maybe baby please
But I just don't know now
When all I wanna do is try

[x3]

Somebody told me
You had a boyfriend
Who looked like a girlfriend
That I had in February of last year
It's not confidential
