The Sweet Sweetie .

The Sweet Sweetie .

In the ups and down of temptationsâ profile ,
You Sweet wipe sorrowâ s figure and beguile .

In the dreary ways of unknown miles ,
You Sweet peep and mitigate the weep ,
With your soul effusing smile .

In the hopeless desert with empty heart ,
Melancholy takes possession on the will ,
You Sweet bloom breaking natureâ s seal .

In clouded insecurity while plunge with no rope ,
You Sweet come by like a floating boat ,
And make me the monarch of impossible hope .

While the natural hunger with thirst starve ,
You Sweet repair the sensesâ agony ,
And play your unasked love in my harp .

The Sweet Sweetie .
