b'day poem

Just wondering how meticulous God would had beenâ ;
Wen he was giving final touches to his makeâ ;
So an angel was born on this dateâ ;
And I don't wanna be wishing her lateâ ;
Wish you joy,wish you luckâ ;
Wish you never get anywhere stuckâ ;
Wish you achieve biggest of your dreamâ ;
For which i want the largest of your cakeâ s cream..)
Wish you a glorious & glaring year full of Happ'i'nessâ ;
Wid 'i' always there for you when you feel lonelinessâ ;
Wish you many many happie returns of the dayâ !!
And i hope, that in your heart i forever stayâ lâ !!

Happie bdae have a blast, rock nd rollâ !.
No doubt,God will bless his lovely doll..:)
