# Sympathy For The Evil

Blamed for all, and blamed by many  
For unleashing evil and sparing souls, not any  
Covet to cause suffering to others  
Just who is this lost soul, this ghastly maradauer  
Filled with thoughts of rage, and a humorous heart  
Smile of Outlandish Joy, as he ripps poor souls apart  
Deliberate ignorance, of emotion and feeling  
Joyful and innocent, whilst lives he's stealing  
He exists in every one of us, somewhere in our hearts  
Deep within our selflessness, we enjoy dragging others into suffering  
And to be purified, a request not ever granted  
Sadistic is our darkest wish, and we desire infamy  
Evil dwells in us all, so show the Devil some sympathy
