This Isn't Happening

How can you see - head on backwards?

Looking at life through a mirror window

Face I don't recognize

Get me out

Get me out

Why behind the glass?

How can I relax with the world spinning so fast?

Everything spinning

Spin-ning

How'd you get here?

Faces I don't recognize

Don't recognize

Get me inside

Get me inside

This Isn't Happening

This Isn't Happening
