You can't fight love as i have realised because the love and hate are on the same side of the brain.

# Can't fight love

It's painful really. Annoying. Agonising.  
You convince yourself,  
that you hate someone, but actually,  
you love them.  
And as hard as you try,  
to fight your love,  
it grows deeper.  
So thye truth is, you can't fight love.  
It comes natural, like sweat does.
