I've cried my last tears

# I've cried my last tears

I've cried my last tears.  
I've done feeling sorry for myself..  
Infact, I've done with you;  
done hurting.  
The love I had for you,  
it still remains, but I'm really,  
ready to move on,  
because you broke my heart,  
and I cried,  
but crying never got me nowhere.  
It was no use,  
I'm done with you.  
Bye. I've cried my last tears.
