Songs turned to poems- smile kids contest entry

Firstly Justin Biebers baby
In a form of a sonnet.
You know you love me.
And that you care.
So why do you insist in pretending?
You are my first love,
And I will always be there.
You can count on me.
I won't let you down.
You are the one
Who got away.
Just admit it.
You love me.
And I'll say it back.
I thought you'd always be mine.
But I was wrong.

secondly rihanna's umbrella
In a form of a sonnet
Let it rain, cause
We will be together,
Your my sunshine,
My ray of light.
And we'll be forever together.
Now it's raining more than ever,
Proves that we'll still have each other.
You can stand under my umbrella.
You had my heart,
We'll never be worlds apart,
You'll still be my star.
No matter what the world throws at us;
The challenges we encounter,
We'll still have each other.
Last of all
Shontelle Impossible
In a poem
I remember years ago
Someone told me I should take
Caution when it comes to love
I did,
But when I met you,
It all changed.
I thought you were different.
I couldn't help but falling for you.

I was vulnerable
And I was in love.
The thing is,
I thought you felt the same.
I thought that the spark between us
Was rear.
And that there was nothing
that could compare to what I had for you.
But now it has all changed.
You have hurt me.
And it is hard to leave you
but I have to.
You can tell them.
Tell them how I was
in love and now
I feel stupid.
Tell them all I know now
Shout it from the roof tops
Write it on the sky line
All we had is gone now
Tell them I was happy,
Now it has all disappeared.
It was all illusion.
All a mistake.
