# Lost In Silver

I grip the blade it cuts into my hand  
And I know I can't stop it since it's never planned  
But as I bleed onto the white bathroom floor  
I don't even know myself anymore.  
Is this what I resort to  
When I don't want to cry?  
Is this what I resort to  
When I want to die?  
That girl I used to be is gone  
Disappearing from her dance and song  
Into a world of hatred and fear  
Now the silver blade is what I hold dear  
And yes, I keep a cool face  
And my façade never wavers in any place  
But that's all a lie  
Because in truth, I want to die.
