Can you see me sitting there?

## **Can you see me sitting there?**

## **Can you see me sitting there?**

### **Can you see me**

Sitting there alone

With a hope somebody

will finally notice me?

### **Can you see me**

All alone with no

one to hold me or hug

without a single kiss?

### **Can you see me**

Just sitting hoping

my invisibility spell

will fade to dust

### **Can you see me**

Can you see me?

Please answer me if you can

I need to know this is real

### **Can you see me?**

Please answer me so i know

I and the world

Can you see me sitting there?

Can you see me sitting there?

are real.

Can you see me sitting there?

Can you see me sitting there?
