MuMs

For all the mums That sit out there looking toward the sun they just sit thinking of the days when they were the ones sitting with friends in the sun This is for the mums who think their the only ones which are worth zilch well that's not true and all of you know that it's Not so this is for the mums the best ones that look after us pick us ip when we fall put a roof over our heads put food in out tummies and clothe our backs This is for our mums
