Kainth,s Truth â Kalam Da Naytarâ So many stars twinkling in the sky.Some are small and some are huge.But one thing is common that those are stars and they twinkling.Parandeeep Kainth is a new comer star poet who is also twinkling in art-world.We do warm welcome to him in the Literary World.â Kalam Da Naytarâ is the first book by Parandeeep Kainth.Whose poems are short and some are very wide angle poems but basically that are the voice of soulâ s poetry.His poetry only can understand by capable hearts because his poetry concerned by metaphysical poetry. Parandeeep ever sayâ s poet&poetry must stand for truth and nothing else. This statement is really actual fact of his life .He speaks truth and writes truth is well. All poems from Kalam Da Naytar are conveying the real life experience which was held while his lifeâ s struggle. Parandeeep Kainth is a son of eminent poet Ajmer Kainth. Some Peoples says Poetâ s son Poet and taunting to them .But they takes as a Great Honor and says â Right Words From Wrong Manâ and feel very pleasure. Ajmer Kainth says â Parandeeep Kainth is Punjabâ s Shakespeare Due To His Great Quality Of Humblenessâ . Bindi is one of the most famous and heart touching poem by Parandeeep Kainthâ s Kalam Da Naytar.Which unfolds the whole universe facts. Bindi telecasted broadcasted and published in journals and also appearing on internet. At the final touch of this article cum book review .I can say only one thing Parandeeep Kainthâ s â Kalam Da Naytar is running in the heart of Universe. Dr.Anuradha Sinha
