Nag Champin' at the Bit...

Nag Champin at the Bit.

Incense, a pleasurable scent

Measured in degrees of area infused.

Import from Kathmandu

an ever present Latitude

affords my Billowy smoked

Habit- for at least a Decade Now-so Kool.

Aromatic ever present therapy from days

spanning to Washington square

when there were still Dutch-

They have traveled on- leaving the Leaf

they've bequeathed unto me-

Vishnu shines embers light to ash

Lip exhalation- like Chompin at the Bit

Nag Champin' at the Bit...

Nag Champin' at the Bit...
