Poetry Contest!!!

This is my first poetry contest. I'm not much of a poetry person, but I do like limericks.

So this is a limerick contest.

Write anything you want, but no erotica. Please, come on people, let's be decent.

Winners will receive:

1st place will receive a fan from me if they do not already, and I will like five writings of their choice.

2nd place will receive a fanning if I have not already, and I will like three of their writings of their choice.

And 3rd will receive a fanning and I will like one writing of their choice.

Let's try to keep it under 1147 words (random number) and be as creative as possible! maintain rhythm, and remember: limericks rhyme.

The dead line is March 15 and just tell me when you're done and it's posted on booksie!

The winners shall now be announced!!!

First Place: smiracle with their poem None of That is There.

Second Place: bobthe builder with their poem Keep your Mouth Shut!

Third Place: have faith in purple with her poem that is unnamed.

All other entries were great! Thank you for participating! Winners can just tell me below what they want me to like!
