Hikari's Hidden Poetry

White walls

white ceiling

white floor

red feet

dance upon the dead

dead silence

dead sleep

dead heads

loud laughter

echos throughout the halls

halls of imbeciles

halls of misunderstanding

halls of evil

rooms of the lost

souls of the forgotten

forgotten children

forgotten memories

forgotten love

hidden colors

beneath the bleach white

white walls

white ceiling

white floor

Hikari's Hidden Poetry

red feet

dance upon the dead
