- I Love You -

I love you since the day
You introduce yourself to me.

I love you every time you smile at me.
You make me feel so special.

I love you 'cause you're the one,
I always think of.

I love you every day,
As you're my sunny day
When I'm feeling blue.

I love you 'cause I search for you.
Now that I find you,
I won't let you go.

I love you and please forgive me
For loving you so much;
I can't live a day
Without you in my life.

I love you...
All I ever want to say.
