- True Love -

I think of you night and day
I feel like I'm going crazy
'Cause my love grows more deeply
With each passing day.

Each moment I spend with you,
Countless emotions are coming through.
Every time I see your smiles,
I laugh with tears in my eyes.

Sometimes, I am confused.
Can't explain this love anymore.
Why do I have to hide it for so long?
Can I make this a beautiful song?

My love for you is,
The sunrise that colors the velvet sky,
The fountain that shimmers pearly blue,
And the sun that beats down on me.

Now I cover my eyes with tears,
As I live through the days without fears.
In my heart there is joy
That weeps incessantly.
