Completely and Undeniably

My heart is broken.
Completely and undeniably.
I try to ignore the hurt.
Trying to continue on.
I can't seem to make a move.
I'm frozen in my own footsteps.
I don't know which way to turn.
What do I do now?
My head spins in circles.
I don't want to hurt anyone.
I'm scared I will be standing alone.
Where do I go?
My head spins in circles.
No place for quietness to rest my weary mind.
No place to think to make decisions.
No place to go for me time. Â
What am I supposed to do now?
Who do I lean on?
No one to talk to.
It's only me around here.
I worry about making the wrong move.
I worry about hurting more people than
there's already been hurt.
If I don't do something it will just keep going.
I'm trying to listen to all sides.
I have a biased opinion.
I can not help that.
I can't seem to make a move.
Trying to continue on.
I try to ignore the hurt.
Completely and undeniably.
My heart is broken.
