I am here.

I am here.

I am here.

I am here
to make sure you don't fall
to protect you when you do
and to pick up the pieces and help you
start all over again.

I am here
to listen.
To all of your moments
to hold you when you cry
and join you when you laugh.

I am here
to be your friend
to make sure you don't soar alone,
to make sure you can spread your wings as high
and as far as you can reach.

I am here
to stand beside you in everything that you do
to help you reach for the stars
and to make sure every day that you reach your dreams.

I am here.

I am here.

I am here.
