My Little Brother

My Little Brother

My little brother is as cute as can be
He is also as silly as can be.
I will always love him,
No matter what.
But some days...I want to kick his butt.

He rides his bike down the road each day.
All he ever wants to do is play.
If theres work involved he moves real fast
But trying to get him up in the morning...
I just wish that speed would last.

My little brother will always be there
No matter how much we fight, or argue, or scream
I will always care.
I'll never admit it, I won't let him know
But there are some things I just don't want to show
