Tomorrow will bring good

Tomorrow will bring good

*Closing the chapters
Of tears, and of loss,
A pain that will now be gone!*

*Crossing the fingers,
for blessings and for good luck
A faith that nothing's lost!*

*Admiring the skies,
For freedom and for peace,
A longing that someday I'll be free!*

*Embracing the new dawn,
for hopes and for desires
A yearning that tomorrow will bring good!*

Tomorrow will bring good

Tomorrow will bring good
