mountain of love

My love for you is NEVER ENDING like a mountain is never bending, forever together we shall be, like the water always is in the sea. My love grows each day for you as the sky somewhere is always blue. Or love so magical like our Childrens eyes, lights up the sky like fire flies., I want to grow old with you at my side, with out you i'm like a park that is empty outside, No swings, no monkey bars like an empty field that has nothing to yield. ecstatic is the way you make me feel and I know our love is FOREVER REAL!
