## **I'd cut myself but it hurts too much...**

*I wanted to die.*

*I'd cut myself but it hurt too much,*

*watching the world from the pits of hell*

*through a ragged hole,*

*while satan rapes me.*

*angels are dying,*

*falling from the sky.*

*nothing is worth this shit,*

*nobody told me to die,*

*fuck it.*

*I just wanted to see what it was like.*

I'd cut myself but it hurts too much...

I'd cut myself but it hurts too much...
