

Heart To Heart

Heart To Heart

By : Da Rae

I wrote this from some boredom, just like a lot of my poetry, but it's for Valentine's Day.

Heart To Heart

Heart To Heart

Heart To Heart
Keep an open mind,
I will come in time.
You can't rush it, love.
Leave it heart to heart.
It's a matter of debate,
keep your heart or
keep your mind.
There is no way to keep them both.
Sometimes, with your
open heart and open mind,
you find,
that love finds its way in.
So, here it is,
our heart to heart .
All it was,
was a bit of patience, love.
