Abandonment and Hopeless Tears

You made me believe that all this was true
I was building us a structured home
It was filled with gold and joyous tears
I gave everything, everything I had
I gave you so much, I had nothing left
I gave you my bullets
I said take them and run
You made me fall in your everlasting grasp
I couldn't escape, even if I wanted to
But when midnight struck
And the sky was black
You started to change
I wanted the old you back
The bullets I gave you
You loaded into a gun
You said that you can't handle me
My bullets were too much
I wanted to fix things
To be the same again
You said, it's not you, it's me
My heart was broken
I just couldn't believe
That our home has been destroyed
All I had was love for you
You held up the gun and pulled the trigger
There's a hole in my chest that just gets bigger
Why my love, are you abandoning me?!
You took away my hope
You took away my soul
But most of all
You took away my trust
Abandonment and hopeless tears
All I have is ruins of our home
And a broken heart
You will move on and find someone new
All I ever wanted was to be with you
