# I Can't Go Through This Again

I couldn't get you out of my mind

The times when you were mine

I was engrossed

But now you're a ghost

One who keeps haunting me

You don't let me be

You're driving me crazy

Your intentions are a bit hazy

It seems that you still love me

But how can that be

You left me behind

I had no peace of mind

I tried to move on

And in the end I won

Or so I thought

Now I've been reshot

By the same feeling

I thought I was done heeling

But now you're back

I might have a hard attack

If you stay here

I might just disappear

I'm not going through this again

I Can't Go Through This Again

## I Can't Go Through This Again

Iâ€™m tired of all the pain

At first I moved on in vain

It felt like I was being held back by a chain

But itâ€™s time to break free

Iâ€™m about to flee

Iâ€™m saying goodbye

Cause I really donâ€™t want to die

And thatâ€™s what your love will be

Itâ€™ll be the death of me

I Can't Go Through This Again
