It's Amazing

It's amazing

The love I have for you

It's amazing

The way you make me feel

We walk together

You and I

Under the brightest sun

We hold on to each other

It's amazing

How a simple touch makes me warm inside

It's amazing

How your smile brightens my life

The wind begins to blow

It begins to caress the beauty of your face

Nature's creatures begin to sing

But nothing can compare to your melody

It's amazing

How your eyes can read my soul

It's amazing

How your lips can suck my breath away

But nothing is more amazing

Then the love we have for each other

It's Amazing

It's Amazing

It's Amazing
