Time To Bounce

Iâ€™m hurting

So I keep on running

You left me

Now I can no longer be

Iâ€™ve become a mess

I think itâ€™s because you can care less

Iâ€™m really confused

I think Iâ€™ve been used

You were my fire

Now I feel like a used tire

Worthless and unbroken

I was left unchosen

Others are happy

While Iâ€™m feeling crappy

Iâ€™m unsure of what to do

As I look at you

My eyes may be playing a trick

But I think youâ€™re getting thick

Could it be?

That youâ€™re missing me

No, Iâ€™m getting confused

I have to remember I was used

But maybe, just maybe, I may be wrong

Time To Bounce

Waitâ inope its just been to long

I have to let go

Before I get low

I loved you once

But itâ s too late now cause I have to bounce

Time To Bounce

Time To Bounce
