

Why Keep Wishing

By : **dlaura69**

This Poem is about wishing for your ex. (By the way I just wrote this for no apparent reason.)

Why Keep Wishing

Itâs dark outside

Itâs cold

Itâs foggy

Itâs peacefulâ

I know that I sound crazy

But I really wish I were with you

Walking under the moon

In this cold and foggy weather

I wish that I could hold your hand

That we could walk together

Cuddling against each other

Against the coldness of the night

But thatâs all it is

A simple wishâ

No matter how much I wish

I know that you wonât be here

Youâre gone

You arenât coming back

I know this

So why do I keep wishing

Why do I keep hurting myself?

Why keep wishing for your return

When I knowâ

Why Keep Wishing

Why Keep Wishing

I know you have forgotten me

I know that you have moved on

So tell me why

I keep wishing for your return

Why Keep Wishing

Why Keep Wishing
