"Fuck This" Life!

**"Fuck This" Life!**

-

Why do I try?

Why do I try?

Too insecure

Never gonna fly

I can't prove myself

So you all have to die

I don't wanna kill you

I just wanna be sucked up

Nothing but a pain

You all are to me

You're just gonna have to judge me

'Cause I know I have no right

To feel the way I do

And be loved back for it
