fallin apart 1

i said i'm fallin apart love just turn the stove up it is too cold in here and the sleeves of my sweater are worn out the gas has been turned off since the bills got put in my name cause dad has been fallin apart from the moment he got home from the war out in the streets he was walkin to the beat of a burn out until mom kicked him out but she's one foot inside the grave now how irony has taken it's toll now just get yourself clean so the baby in the bedroom can realize the beauty of peace
