All That's Left is Ash

I grab the note out of my closet,

Nope, I never lost it.

Written are the words you couldn't say,

That you love me but not enough to stay.

Light the match, set your words on fire.

Sigh as the flames grow higher.

All that's left is ash,

I throw your memory in the trash.

All That's Left is Ash

All Thay's Left is Ash
