This Isn't Enough Anymore

This isn't enough anymore,

Not now,

Not after a taste of what we had before.

This isn't enough anymore,

It'd hurt less if you'd just walk away all together.

Not leave me, stranded here

As I shed tear after tear.

This just isn't enough anymore,

All this does is rip my heart apart day after agonizing day.

This will never be enough anymore.

Not after the kisses.

Not after the hugs.

Not after you being mine,

Not after me being yours.

Not after that.
