Everything Killed Me

It sucked me dry,
ate me alive,
like infected genitals,
made me feel that I was nothing

^

Everything
has ripped me to peices

^

Everything
splintered my bones

^

Everything
has burnt me down,
kicked me out of stance,
raped me of hope

then

^

Everything
shit me out,
spit on my face
left me in the dirt of nowhere
because everything else
could'nt deny me
