Lost Wanderer

You've been swallowed up
deciding that now was the time to run away
what you find would not make sense
but it does
because secretly?
you know what it all means

Â

Â

Two roads connect at your feet
taking off in opposite directions
giving you the idea
that you can decide which path to take

Â

Â

Your so warm baby
but your insides are growing cold
looking at the signs that could mean anything
you choose not, scared
as you turn away
choosing to avoid the unavoidable

Â

Â

So naturally,
you aimlessly walk anywhere but there

Lost Wanderer

through the crimson forest of the confused beautifuls

where the red leaves mesmerize you

Â

Â

What is it

you are trying to find?

What is it

you are trying to prove?

What is it

your are running from?

Â

Digging through the twisted vines of life

your back at your personal intersection

your staring off

for there it is
