# She's a Distraction

Her futile attempts

to make me see

^ ^ ^ ^ ^ ^ to make me forgive

she's saying she bleeds for me

out of the womb and heart

emollient pain

She's a distraction

a manipulation

to make me feel

to make me beg

parts want me to embark this

forget the priorities

how ignominious it would be

to enfuse -her

^ ^ ^ ^ ^ ^ ^ ^ to learn from -her

to illumine my soul.

*This illogical creature*

^ she says yes

then no

^ ^ maybe to nervy

^ but way to shy

if she can't make up her mind

How can I?

Let's ejaculate on the situation!

She's a Distraction

## She's a Distraction

tell the truth

make a choice

that I may love her... too much

I lied and I whispered no

her difference -no matter how breathtaking-

is untouchable to me

and

for a reason

She's a Distraction
