Craving for Mama's Love

Mama, you left me so early

Things are not so clear for me

It was very dawn...

You just left me without any valid reason.

Â

I longed for you so much

Your love and tender touch

Growing up without you is not easy

Living home only aunt, papa and me.

Â

When things do not treat well for me

That's all I shall say....

"Mama, hope you're here sitting beside me..."
