Her Face When She's Crying

Her face when sheâs crying

Wet

Red

Scrunched

She blinks fast

She breathes in quick bursts

Her eyebrows tense

Light glistens off the water that clings to her cheeks

Her eyes spill emotion from depths of her soul

Yet

Her face when sheâs crying

Is still the most beautiful face in the world

Her Face When She's Crying

Her Face When She's Crying
