# 11.5 t .5 = 12

11.5 + .5 = 12

*How is it...the math is wrong?*

*Opportunism,*

*Got you on the run*

*Blow the candles, fragile to handle,*

*But, not your fault!*

*Like melting butter...what an ordeal!*

*Pepper...Where's the salt?*

*See you, needy, greedy, meet-ee,*

*All is in your...Head!*

*From China, greetings, O' lead,*

*I wanted to feel, you wanted*

*To gun!*

*And you ran...a second to none!*

*Puppet...Manipulated!*

*See?...*

*I have created a clone,*

*From bright,shinny...Sun!*

*Greed, is what you need...to be!*

*Need...Flowing as I bleed,*

*Tell me....How to stand?*
