And What Did I say?

And What Did I say?

And what did I say?...It's Ok

To lend a hand

Even if you're trapped and capped,

In those gray clouds

From North to South, braggin'

Out loud

Any given delusion should be treated

Like any given, Real-Fusion,

And what did i say?...Burn in hay!

Feel it, smell it, eat it,

Their life, my wine-twine

Difficult, as your cult, pistol-bolt,

I was told, don't ask,

Idiota!...Is not your concern!

Existence!...say...who?

The aroma, ahh!..is in the air,

Petals of bloom

Rockers!...Smokers!...Whatever,

Suckers!
