But What the Hell

But what the Hell

Suddenly, someone shouted, incoming, incoming, hit the dirt,
Take cover, take cover! Sir, they got us pinned down, they
Got us pinned down! Sir, what are your orders, what are
Your orders, Sir! they got us pinned down.

But what the hell, but what the hell

They got me,

Pinned down, they got me pinned

Down

But what the hell, but what the

Hell, ain't got no

Support, ouch, I need some

Support, ouch, cause

I ain't here on my couch, ouch

But what the hell, to sing Mabelle

Don't tell Mr. Brown

His son is a clown,

Just fooling around

But What the Hell

But what the hell, if they got me
Pinned down,
My life so bright, I can't
Doing it right, what the hell

But what the hell, if you push it
Too far, with that
Damn cigar, strumming
Your guitar

But what the hell, but what the hell
They got me pinned down,
It's breaking my sound,
Stop circle around, they got
You surround

But what the hell, to sing Mabelle
You've got to
Slow down, to head south bound
And hide underground.
