Donkey-B-Retired-no-Desired

Donkey-B

Noble as a donkey, pragmatic

Automatic

Eating hay, hates mathematic

Noble as a donkey

Double fake

Funky, grass, meet your mass

Creature, is your nature to be

Is to see

Donkey, clarify this, are you free?

Like the wind and

The sea?

You lost your C, donkey-B

But I found

Your key, letâs run like a

Wild bunch

You and I, one sky to fly.

Retired-no Desired

Itâs not the way that Iâm a retiree

My misery, the mystery

Donkey-B-Retired-no-Desired

Of being in history

I canâ t say

Hey!

What a big grey-day

Retire means no more tire

Lots of places

To go, no money to flow

Feeding fishes

With apple and cream

So is my dream

Who told you to move?

Youâ re out

From this groove, sucker

Itâ s your money

Or you die

Veins and blocker, all I have

Is my old foot locker.
