Poetry...Clever and Fancy?

Poetry...Clever and Fancy

I have no magic to write clever and

Fancy poetry,

It would be for me a calamity

Troubled mind,

That! I can scribble and sign

Could be depressed, intensely obses,

Dark! Pretense!

Outrage, incense, and no scent,

Forward them

To anyone, anytime...They may read!

It can be anybody's experiences

Mine...Tribulations! Yours...Speculations!

I got my interpretations,

Poetry,

Fancy words, clever thoughts,

Serene, is my world, choosing damn

Words,

Battles to be fought, win or lost,

From ty lair

Written sanctuary spot,

Love and hatred, Gods and warriors,

I'm the one,

Reciting their peace and riots,
