Soul-Sole

Soul-Sole

If we can escape reality, then, let reality

Become, Soul-Sole,

Another success, hundredth of failures

To control is beyond

Our wishes,

Reality, what do we know about it?

Does it tell you?

In the middle of a spiritual crisis

Reality, show me the top

Of the sea,

I'll show you the bottom from

Soul-Sole

A smiling face is reality, or just laughing

At me,

Yes, indeed, could be,

Is this?...Fate!

Soul-Sole, bliss of you, reach not do,

None-reality

Sense, From me?...or them.
