

The Other Personality

By : Kalika997

A poem about Dissociative Identity Disorder (or Multiple Personality Disorder) and what it does to the people who have it. It's not very long, but I hope it gives the right message. If you could comment on it for me, I'd much appreciate it.

The Other Personality

They're angry with me

And I don't know why

What has he done?

What is it this time?

"You could you say that?"

They scream in my face

I curse him inside

For bringing disgrace

How can I tell them

Without looking insane?

I'm Lucy, not Louis

Yet I take the blame

He's taunting me now

His voice in my mind

He'll be back again soon

And leave me behind
