Your Dazzling Eyes

Your Dazzling Eyes

Your eyes are deep

Your eyes are green

Whenever I look into them

I see a dream

To look into your eyes, should be a sin

For the feeling it gives me within

What is so intense about them I wonder?

Sending a chill through my spine, like a thunder

Looking into your eyes

I feel the warmth they hold

They connect me to your soul

A soul so pure, so bold

Looking into your eyes

I see the images locked deep inside

Of love, of joy, of pain & sorrow,

Of the hard decisions they've made

I wish your troubles, I could borrow

Your deep eyes radiate

So genuine, never fake,

So mystical, assuring somehow someway

Your Dazzling Eyes
Everything will be okay

Your eyes are deep
Your eyes are green
Whenever I look into them

I experience a beautiful dream

Your Dazzling Eyes

Your Dazzling Eyes
