# Mending Fences

Riding fences, me and Buck  
Mending, sweating then we fuck

I quickly dismount my pony  
Bucks thick cock ainâ t no phony

Back it up you lusty wench  
Lean on over that busted fence

Buck finds his tall oak tree  
And stabs its length inside of me

But when weâ re done we have to run  
Thereâ s more fence mending to be done
