# Bits of Fine Wit - Timeless Thoughts - Page 1

**A Face is just a Face...Until some sort of artist brings it to life.**

The **Writer** writes its' reality and creates its' personality.

The **Painter** paints the scene and provides a focus point.

And the **Photographer** - captures a glimpse of its' Life -

a picture of the many facets of its' reality - For all the world to share.

(1987)

---

*The Fires of Friendship...*

*A gentle spirit rises, quietly watching - as we are.*

*Perhaps, what you have seen in my eyes -*

*I have found in your smiles....*

*Kindling for the fires of Friendship.*

(1988)

---

*A Hand Searches - Fingers wait.*

*Can you grasp time -with only the palm of your hand?*

*The leaves of a tree - flutter in the wind.*

*The wind moves each limb - grudgingly.*

*The sound...a whisper?*

*Who will notice...? Who will hear?*

*A whisper - a cry.... A whimper - a sigh...*

*A hand searches - its' fingers, wait.*

(1989)

**\*\*\*\* Photographers are like Writers - Don't you see the similarities?**

They Seek the beauty found in life..

Each - capturing a moment on paper....to share with others.

The Photographer captures the beauty in a Picture -

The Writer captures the beauty with a net of words - a piece of Prose.

Each has captured - a moment in time.... and made it Permanent and Timeless..
