"My love, my kids"

Roses are red,

Violets are blue,

I love you both so much, I just had to tell you!

You both make me smile, every single day,

your cute little words you tell me, in my heart it will always stay.

The way you both argue and fight like sister and brother,

and than right after you both say sorry to each other,

Makes me feel very bless to have you both,

because I know deep down you both love eachother so.

I'll love you both forever no matter how old you both grow,

and if you both misbehave, I will still scold you both, at 100 years old.

So if roses are red and violets are blue,

as the years pass my loves,... my heart will grow much bigger, only for you two.

Dedicated to my two loves,

My daughter Brittney Rayne & son Ryan Andrew!

Mommy loves you both the same forever & ever!
